WHY ALCOHOL INK MARKERS?

Alcohol-based inks lay down vibrant, smooth areas of color. Blend them to create beautiful shading and subtle watercolor effects. Unlike water-based markers, they won't damage the surface of your paper. They'll write on nearly anything and are made to last. They're ideal tools for artists and crafters of every stripe and any experience level.

Please note that these high-saturation markers may bleed through certain types of paper. We recommend protecting surfaces below by placing an extra sheet of thick paper beneath your work.

All the Birds in the World

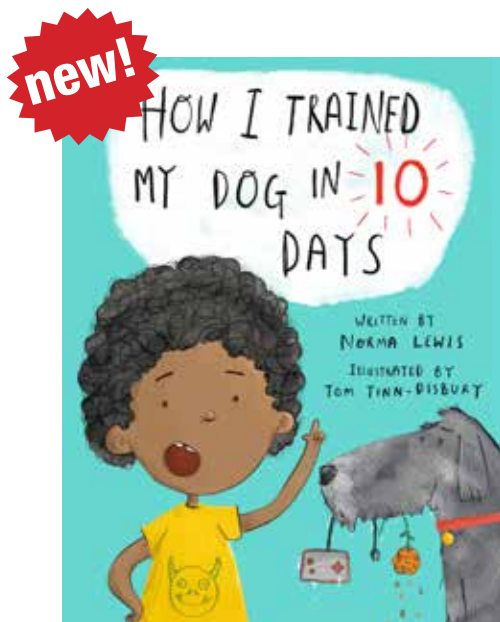

By David Opie

What makes a bird a bird? All birds have feathers, wings, and beaks. But birds come in many varieties of colors, shapes, and sizes, with different habits and homes. Take a beautifully illustrated journey with the little kiwi bird through the vast and colorful world of birds, with its diverse tapestry of textures, sounds, and sights. Even the kiwi chick—who struggles to see at first how he fits in—finds that he too belongs to this fascinating family of feathered friends.

David Opie holds a BFA and MFA in Illustration and lives with his wife in Connecticut.

How I Trained My Dog in Ten Days

By Norma Lewis • Illustrated by Tom Tinn-Disbury

"Does your dog need training? It's easy. But you have to be firm. Dogs always try to take over. Don't let them. It's rude to brag, but it only took me ten days to train my dog Scamp. If I can do it, so can you."

And so starts the training of a boy's new pet dog, Scamp . . . or . . . is this actually the training of Scamp's new boy??? A humorous and heart-warming ode to our furry four-legged friends!

Norma Lewis lives in Grand Haven, Michigan, with her aptly-named cat, Scalawag.

Tom Tinn-Disbury lives with his wife, son, and two dogs, Wilma and Fred.

From Tony Award-winning actress Laura Benanti and Met Opera soprano Kate Mangiameli comes:

M is for MAMA (and also Merlot): A Modern Mom's ABCs

By Laura Benanti and Kate Mangiameli • Illustrated by Helene Winston

Yes, motherhood is amazing, but let's face it: it's not unicorns and rainbows *all* the time. Some days you find poo on your leg, and some days you're covered in vomit. Being able to find the humor in all the ups and downs is a mommy-must! *M is for Mama (and also Merlot)* provides laughter, joy, reassurance, confidence, and perhaps even a moment of relaxation for new and expectant moms.

Laura Benanti is a Tony Award-winning Broadway and television actress who recently starred in *My Fair Lady* and can be seen on *The Late Show with Stephen Colbert* in her hilarious portrayal of Melania Trump. She lives in New York City with her husband and daughter.

Kate Mangiameli is an operatic soprano who is a member of the world-renowned Metropolitan Opera Chorus. She lives in New York City with her husband and daughter.

PETER PAUPER PRESS

OUR COMPANY

In 1928, at the age of twenty-two, Peter Beilenson began printing books on a small press in the basement of his parents' home in Larchmont, New York. Peter—and later, his wife, Edna—sought to create fine books that sold at “prices even a pauper could afford.”

Today, still family owned and operated, Peter Pauper Press continues to honor our founders' legacy—and our customers' expectations—of beauty, quality, and value.
